Another question - the president signed the MOA that we discussed because I submitted to her before we talked and you mentioned me that the Regional Director need it to see it before. If there is any changes to the document I will print it again and get her signature again. Please advice if you want me to include that MOA that she signed in the package or if I should wait and not include the MOA.

Thanks

Good afternoon Dennis,

Attached please find the Puerto Rico UST Program Description for your review and comments. The only two pending documents that I need to send you for review are: UST Closure Guidance and the Demonstration of Adequate Enforcement Procedures. I'm expecting to send it to you no latest than tomorrow.

Thanks.

Wilmarie
